# Grab a book for Teen on the Same Page & Teen Read Week

*October is the month for teen reading at the Public Library of Cincinnati and Hamilton County*

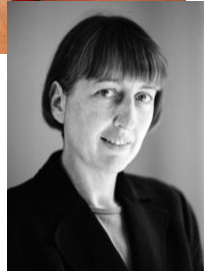

Coinciding with Teen Read Week in October, teens across Greater Cincinnati are invited to participate in Teen On The Same Page. The community-wide reading initiative asks schools and individual teens to read the same book and engage in face-to-face and virtual discussions, programs, and events with their peers.

This year's Teen on the Same Page book selection is "Restoring Harmony" by Joëlle Anthony. The author will visit Cincinnati Oct. 16-17 for free school and library programs with teens including a 7 p.m. event at the Main Library Wednesday, Oct. 17.

Program listings, links to discussion guides, and other related content for teens, parents, and educators will be featured at

[www.teenspace.cincinnatilibrary.org/samepage](http://www.teenspace.cincinnatilibrary.org/samepage). For more information, call 513-369-6900. For more about Joëlle Anthony and "Restoring Harmony," visit her website at <http://joelleanthony.com>.
